Stop telephoning me!

(Eh, eh, eh, eh, eh, eh, eh, eh)

Can call all you want

But there's no one home

And you're not gonna reach my telephone!

I'm out in the club

And I'm sipping that bubb

And you're not gonna reach my telephone!

Can call all you want

But there's no one home

And you're not gonna reach my telephone!

I'm out in the club

And I'm sipping that bubb

And you're not gonna reach my telephone!

- It's your lucky day, some idiot bailed you out
- You'll be back honey
- You've been a very bad girl

A very very bad bad girl, Gaga

(Mmmmhmm (3)\_\_\_\_\_ B)

- Sure you wanna do this honey B
- What do you mean if I'm sure
- You know what they say

Once you killed a cow you got to make a burger

- You know Gaga, trust is like a mirror

You can fix it if it's broken

#### - But you can still see the crack

In that mother*****'s reflection
Boy, the way you (4) up my phone
Won't make me leave no faster
Put my coat on faster
Leave my girls no faster
I shoulda left my phone at home
Cuz this is a disaster!
Calling like a collector
Sorry, I cannot answer!
Not that I don't like you
I'm just at a party
And I am sick and tired
Of my phone r-ringing
Sometimes I feel like
I live in Grand Central Station
Tonight I'm not taking no calls
'Cause I'll be dancing
'Cause I'll be dancing
'Cause I'll be dancing
Tonight I'm not taking no calls
'Cause I'll be dancing
Stop calling, stop calling
I don't wanna (5) anymore!
I left my head and my heart on the dance floor
Stop calling, (6) calling
I don't wanna talk anymore!

I (7)\_\_\_\_\_ my head and my heart on the dance floor
