

One, twenty-one guns,

## Fill in the gaps

Do you know what's (1) fighting for,	Throw up your arms into the sky,
When it's not (2) dying for?	You and I.
Does it take (3) breath away,	Did you try to (15) on your own,
And you feel yourself suffocating?	When you burned down the house and home?
Does the pain weigh out the pride?	Did you stand too (16) to the fire,
And you look for a (4) to hide?	Like a liar looking for forgiveness,
Did someone break your heart inside?	From a stone?
You're in ruins.	When it's time to live and let die,
One, twenty-one guns,	And you can't get another try,
Lay down your arms, give up the fight.	Something inside this heart has died.
One, twenty-one guns,	You're in ruins.
Throw up (5) arms (6) the sky,	One, twenty-one guns,
You and I.	Lay (17) your arms, give up the fight.
When you're at the end of the road,	One, twenty-one guns,
And you lost all sense of control.	Throw up your (18) into the sky.
And (7) (8) have	One, twenty-one guns,
(9) their toll,	Lay down (19) arms, (20) up the fight
When your mind breaks the (10) of your soul.	One, twenty-one guns,
Your (11) walks on broken glass,	Throw up (21) arms into the sky.
And the (12) doesn't pass.	One, twenty-one guns,
Nothing's (13) built to last,	Throw up your arms (22) the sky.
You're in ruins.	You and I
One, twenty-one guns,	
Lay down (14) arms, give up the fight.
