

Fill in the gaps

Maybe in another life	Yeah it stings now
I (1) find you there	The world is so cold
Pulled away before (2) time	Now that you've gone away
I can't deal it's so unfair	Gone away, (5) (6) (yeah yeah yeah
And it feels	yeah yeah)
And it feels like	(Oooooo, yeah oooooo, oooooo, ohh yeah)
Heaven's so far away	I'll Save Your Soul
And it feels	(Whoa, yeaaaaaeeeaaeah, mm.)
Yeah it feels like	I reach to the sky
The world has grown cold	And (7) out your name
Now that you've gone away	Oh please let me trade
Leaving flowers on your grave	I would
Show that I still care	And it feels
(But) Black roses and Hail Mary's	And it feels like
Can't bring back (what's) taken from me	Heaven's so far away
I reach to the sky	And it feels
And call out your name	Yeah it (8) like
And if I (3) trade	The world has grown cold
I would	Now that you've gone away
And it feels	Gone away, gone away (yeah yeah yeah yeah yeah)
And it (4) like	(Oooooo, yeah oooooo, oooooo, ohh yeah)
Heaven's so far away	(Oooooo, yeah oooooo, oooooo, ohh yeah)
And it stings
