Turn The Lights Out by Hadouken

Fill in the gaps

(Turn the lights out)	I don't (7) where we are, I don't care where we go
Turn the lights out, turn the lights out	This is your last chance boy, this is your last chance
Turn the lights out, (1) the, turn the	This is your last chance, your last chance
Turn the lights out, turn the lights out	This is your last chance, your last chance
Turn the lights lights out	This is your last chance, (8) last chance
Make way for the ultraviolet, teenage riot, don't try it	This is your last chance, your last chance
You can't (stop this, stop this)	Make way for the cardinal sin
You can't (stop this, stop this)	When the boys come out when the freaks come in
You see I'm lit like a molotov	(Go, go go go go go go)
Get out my way when the riot kicks off	Make way for the horror show
You can't (stop this, stop this)	If you wanna bring it then we'll come a loco
You can't (stop this, stop this)	(Go, go go go go go go)
Get ready for the rough and tumble	We lit the fuse and we're ready to blow
If you wanna be starting something	I don't care where we are, I don't care where we go
You aint seen nothing yet, no you aint seen nothing	You better run (9) cover where the
Push your way to the pit, stand tall raise your hands	(10) go
If you wanna be starting something	I don't care where we are, I don't care where we go
You aint (2) yet, no you aint	I don't care where we go
seen nothing	I don't care where we go
(Turn the lights out)	Turn the lights out
Turn the lights out, turn the lights out	Turn the lights out
Make way for the bass	Turn the lights out
We fracture ribs and the dim (4) the sun comes in	Turn the, turn the
(Go, go go go go go go go)	Turn the lights out
Make way for the drums	Turn the lights out
We (5) these beats so hard like concrete	Turn the lights out
sheets	Turn the lights out
(Go, go go go go)	
We lit the (6) and we're ready to blow	
I don't care where we are, I don't care where we go	
You better run from cover where the filaments go	

- 1. turn
- 2. seen
- 3. nothing
- 4. when
- 5. pillar
- 6. fuse
- 7. care
- 8. your
- 9. from
- 10. filaments
