

Fill in the gaps

Every day I (1) up and it's Sunday		But that's not you
Whatever's in my head won't go away		And you know it's true
The radio is (2)	_ all the usual	But that won't do
What's a Wonderwall anyway?		Maybe then tomorrow (8) be Monday
Because my inside is outside		And whatever's in my head should go away
My right side's on the left side		But still the radio keeps playing all the usual
Cause I'm (3)	to reach you now but	And what's a Wonderwall anyway?
I might never reach you		Because my inside is outside
Only want to teach you		My right side's on the left side
About you		Cause I'm writing to reach you now but
But that's not you		I might never reach you
It's good to know that you are home for Christmas		Only (9) to teach you
It's good to know that you are doing well		About you
It's good to know (4)	you all (5) I'm	But that's not you
hurting		And you know it's true
It's good to know I'm feeling not so well		But that won't do
Because my inside is outside		And you know it's you
My right side's on the (6)	side	I'm talking to
Cause I'm (7)	to reach you now but	
I might never reach you		
Only want to teach you
