## A Total Eclipse Of The Heart by Bonnie Tyler

Every now and then I get a (1) bit lonely (Forever's gonna start tonight)  And you're never coming around Once (18) a time I was (19)  (Turn around) love  Every now and then I get a little bit tired But now I'm only falling apart  Of (2) to the (3) of my There's nothing I can do	in
(Turn around) love  Every now and then I get a little bit tired But now I'm only falling apart	in
Every now and then I get a little bit tired  But now I'm only falling apart	
Of (2) to the (3) of my There's nothing I can do	
tears A total eclipse of the heart	
(Turn around) Once upon a time there was light in my life	
Every now and then I get a (4) bit nervous But now there's only (20) in the dark	
That the best of all the years have gone by  Nothing I can say	
(Turn around) A total eclipse of the heart	
Every now and then I get a little bit terrified (Turn (21) bright eyes)	
And then I see the look in your eyes Every now and then I fall apart	
(Turn around bright eyes) (Turn around bright eyes)	
Every now and (5) I fall apart Every now and then I fall apart	
(Turn (6) (7) eyes) And I need you now tonight (and I need)	
Every now and then I (8) apart And I need you more than ever	
(Turn around)  And if you'll only hold me tight (if you'll only)	
Every now and then I get a little bit restless  We'll be holding on forever	
And I dream of something wild  And we'll only be making it right	
(Turn around) Cause we'll never be (22) together	
Every now and (9) I get a little bit helpless	
And I'm lying like a child in your arms  Your love is like a shadow on me all of the time	
(Turn around) (All of the time)	
Every now and then I get a little bit angry I don't (23) what to do and I'm always in the dark	
And I know I've got to get out and cry  We're living in a powder keg and giving off sparks	
(Turn around) I really need you tonight	
Every now and then I get a little bit terrified  Forever's gonna start tonight	
But then I see the look in your eyes (Forever's gonna start tonight)	
(Turn around bright eyes)  Once upon a time I was falling in love	
Every now and then I (10) apart But now I'm (24) falling apart	
(Turn (11) eyes) There's nothing I can do	
Every now and then I (13) apart A (25) eclipse of the heart	
And I need you now tonight  Once upon a time there was (26) in my life	
And I need you more than ever  But now there's only love in the dark	
And if you'll only hold me tight  Nothing I can say	
We'll be holding on forever  A total eclipse of the heart	
And we'll only be making it right  A (27) eclipse of the heart	
Cause we'll (14) be wrong together (Turn around (28) eyes)	
We can (15) it to the end of the line (Turn around bright eyes)	
Your love is like a shadow on me all of the time (Turn around)	
(All of the time)	
I don't (16) what to do and I'm always in the dark	
We're living in a powder keg and (17) off	
sparks	
I really need you tonight
