I really need you tonight

Fill in the gaps

A Total Eclipse Of The Heart by Bonnie Tyler

| (Turn around) | Forever's gonna (6) tonight |
|--|--|
| Every now and then I get a little bit lonely | (Forever's gonna start tonight) |
| And you're never coming around | Once upon a time I was falling in love |
| (Turn around) | But now I'm only falling apart |
| Every now and then I get a little bit tired | There's nothing I can do |
| Of (1) to the sound of my tears | A (7) eclipse of the heart |
| (Turn around) | Once upon a time there was light in my life |
| Every now and then I get a little bit nervous | But now there's only love in the dark |
| That the best of all the years have gone by | Nothing I can say |
| (Turn around) | A total eclipse of the heart |
| Every now and then I get a little bit terrified | (Turn (8) bright eyes) |
| And then I see the look in your eyes | Every now and then I fall apart |
| (Turn around bright eyes) | (Turn around bright eyes) |
| Every now and then I fall apart | Every now and then I fall apart |
| (Turn around bright eyes) | And I need you now tonight (and I need) |
| Every now and then I fall apart | And I need you more than ever |
| (Turn around) | And if you'll only hold me tight (if you'll only) |
| Every now and then I get a little bit restless | We'll be holding on forever |
| And I dream of something wild | And we'll only be making it right |
| (Turn around) | Cause we'll never be wrong together |
| Every now and then I get a (2) bit helpless | We can take it to the end of the line |
| And I'm lying like a child in your arms | Your love is like a shadow on me all of the time |
| (Turn around) | (All of the time) |
| Every now and then I get a little bit angry | I don't know what to do and I'm always in the dark |
| And I know I've got to get out and cry | We're living in a powder keg and giving off sparks |
| (Turn around) | I really need you tonight |
| Every now and then I get a little bit terrified | Forever's gonna start tonight |
| But then I see the look in your eyes | (Forever's gonna start tonight) |
| (Turn around bright eyes) | Once upon a time I was (9) in love |
| Every now and then I fall apart | But now I'm only falling apart |
| (Turn around bright eyes) | There's nothing I can do |
| Every now and then I fall apart | A total eclipse of the heart |
| And I need you now tonight | Once upon a time there was light in my life |
| And I need you more than ever | But now there's (10) love in the dark |
| And if you'll (3) hold me tight | Nothing I can say |
| We'll be holding on forever | A total eclipse of the heart |
| And we'll only be making it right | A total eclipse of the heart |
| Cause we'll (4) be (5) together | (Turn around bright eyes) |
| We can take it to the end of the line | (Turn around bright eyes) |
| Your love is like a shadow on me all of the time | (Turn around) |
| (All of the time) | |
| I don't know what to do and I'm always in the dark | |
| We're living in a powder keg and giving off sparks | |
