Feel It In My Bones by Tiësto feat Tegan & Sara

Blow by blow, I didn't see it coming	You're knockin at my windows
Blow by blow, sucker punch	You're slowing letting me go
Rushes in, (1) to stay	And I (6) this feeling oh, so
Rushes in, you are here to stay	This feeling in my bones
What rushes into my heart and my skull	I feel it in my bones
I can't control, think about it	And then my skull feels pressure
Feel it in my bones	I feel it in my bones
What (2) into my heart and my skul	I feel it in my skull
I can't control	I feel you in my bones
I feel you in my bones	You're (7) at my window
You're knocking at my windows	You're (8) lettin me go
You're slowing lettin me go	And I know this feeling oh, so
And I know this feeling oh, so	This feeling in my bones
This feeling in my bones	I take a breath, take a breath
Left hook, I didn't see it coming	With me blow by blow
Left hook, you've got dead aim	Take a break, take a break from you
Rushes out, run away	You are here to stay
Rushes out, you (3) run away	I take my heart out of my chest
What rushes (4) my heart and my skull	I (9) don't need it anymore
I can't control, think about it	Take my hand up again
Feel it in my bones	I just don't need it anymore
What rushes into my heart and my skull	I feel you in my bones
I can't control	You're knocking at my windows
I feel you in my bones	You're slowing (10) me go
You're (5) at my windows	And I know this feeling oh, so
You're slowing lettin me go	This feeling in my bones
And I know this feeling oh, so
