

Fill in the gaps

How can you always be late for your arrival?	Are your eyes snowing on for mine
You know I'd forgive you (1) single time	Your face in my hands is everything good I need
Retreat, retreat	Bones, starved of flesh
I've fallen at the low tide	Surround your aching heart
(Oh) retreat, retreat	Full of love
And (2) me by the quayside	(Oh) bones, starved of flesh
In the end all you can hope for	Surround your aching heart
Is the love you (3) to equal the pain you've gone	Full of love
through	Bones, starved of flesh
Are your eyes showing off for mine	Surround (7) aching heart
Your face in my hands is everything good I need	Bones
The system's put in place, put there to protect us	(Oh) bones
For you I'd throw a lifeline every time	I watch as (8) eyes show off for mine
(Oh) Retreat, retreat	I watch as your eyes show off
I've fallen at the low tide	I watch as your eyes (9) off
Now retreat, retreat	I watch as your eyes show off for mine
And meet me by the quayside	
In the end all you can hope for	
Is the love you (4) to (5) the pain	
you've (6) through
