

Fill in the gaps

How can you (1) be (2) for	Are your eyes showing off for mine
(3) arrival?	Your face in my hands is everything (13) I need
You know I'd forgive you every single time	Bones, starved of flesh
Retreat, retreat	Surround your aching heart
I've fallen at the low tide	Full of love
(Oh) retreat, retreat	(Oh) bones, starved of flesh
And (4) me by the quayside	Surround (14) (15) heart
In the end all you can (5) for	Full of love
Is the love you felt to (6) the pain you've	Bones, starved of flesh
(7) through	Surround (16) aching heart
Are your (8) showing off for mine	Bones
Your face in my hands is (9)	(Oh) bones
(10) I need	I watch as (17) eyes show off for mine
The system's put in place, put (11) to protect us	I (18) as your (19) (20) off
For you I'd (12) a lifeline every time	I watch as your (21) show off
(Oh) Retreat, retreat	I watch as your eyes show off for mine
I've fallen at the low tide	
Now retreat, retreat	
And meet me by the quayside	
In the end all you can hope for	
Is the love you felt to equal the pain you've gone through
