

Is the love you felt to equal the pain you've gone through

Fill in the gaps

How can you always be late for your arrival?		Are your eyes showing off for mine	
You know I'd forgive you (1)	_ single time	Your face in my hands is everything good I need	
Retreat, retreat		Bones, starved of flesh	
I've fallen at the low tide		Surround your aching heart	
(Oh) retreat, retreat		Full of love	
And meet me by the quayside		(Oh) bones, (6)	_ of flesh
In the end all you can (2) for		Surround your aching heart	
Is the love you felt to equal the pain you've (3)		Full of love	
through		Bones, starved of flesh	
Are your eyes showing off for mine		Surround your aching heart	
Your face in my hands is everything (4) I need		Bones	
The system's put in place, put there to protect us		(Oh) bones	
For you I'd throw a lifeline every time		I watch as your eyes (7)	off for mine
(Oh) Retreat, retreat		I (8) as your eyes (9) off	
I've (5) at the low tide		I watch as your (10)	show off
Now retreat, retreat		I watch as your eyes show off for mine	
And meet me by the quayside			
In the end all you can hope for
