Better In Time (Live) by Leona Lewis

It's been the longest winter without you	It's time I let you go so I can be free
I didn't know where to turn to	And live my life how it should be
See, somehow I can't forget you	No matter how (3) it is
After all that we've been through	I'll be fine without you, yes I will
Going, coming thought I heard a knock	Thought I couldn't live without you
Who's there? No one	It's gonna hurt (4) it heals too (oh)
Thinking that I deserve it	It'll all get better in time
Now I realize that I (1) didn't, (nooo)	And even though I really love you
If you didn't notice, you mean everything	I'm gonna smile cause I (5) to (yes I do)
Quickly I'm learning to love again	It'll all get (6) in time
All that I know is I'm gon' be okay	Thought I couldn't live without you
Thought I couldn't live without you	It's gonna (7) when it heals too (yeah)
It's gonna hurt when it (2) too, (ooh yeah)	It'll all get better in time
(It'll all get better in time)	And (8) though I (9) love you
And even though I really love you	I'm gonna smile cause I deserve to (yes)
I'm gonna smile cause I deserve to	It'll all get better in time
It'll all get better in time
