The Keeper of the Stars by Tracy Bird

It was no accident me finding you	I know I don't (6) a (7)
Someone had a hand in it	like you
Long before we ever knew	There really are no words
Now I just can't believe you're in my life	To show my gratitude
Heaven's smilin' down on me	So I tip my hat to the (8) of the stars
As I look at you tonight	He sure (9) what he was doing
I tip my hat to the keeper of the stars	When he joined these two hearts
He sure knew (1) he was doing	I hold everything
When he joined (2) two hearts	When I hold you in my arms
I hold everything	I've got all I'll ever need
When I hold you in my arms	Thanks to the keeper of the stars
I've got all I'll (3) need	It was no accident me finding you
Thanks to the (4) of the stars	Someone had a hand in it
Soft moonlight on your face (oh) how you shine	Long before we ever knew
It takes my breath away	
Just to (5) into your eyes
