

## Fill in the gaps

## The Keeper of the Stars by Tracy Bird

was no (1) me finding you		l (14) l don't (15)	
Someone had a hand in it		(16) like you	
Long before we (2) knew		There (17) are no words	
Now I just can't believe you're in my life		To show my gratitude	
Heaven's smilin' (3) on me		So I tip my hat to the keeper of the stars	
As I look at you tonight		He (18) knew what he was doing	
I tip my hat to the keeper of the stars		When he (19) (20) two h	earts
He (4) (5) (6)	he was doing	I (21) everything	
When he joined these two hearts		When I hold you in my arms	
I hold everything		I've got all I'll ever need	
When I (7) you in my arms		Thanks to the keeper of the stars	
I've got all I'll (8) need		It was no accident me (22) you	
Thanks to the keeper of the stars		Someone had a hand in it	
Soft moonlight on (9) (10)	(oh) how you	Long (23) we (24) knew	
shine			
It (11) my breath away			
Just to look (12) (13)	eves
