

Fill in the gaps

Spaceman by The Killers

It started (1)_____ a low light
Next thing I knew they ripped me from my bed
And then they (2)_____ my blood type
They left a strange impression in my head
You know that I was hoping
That I could leave this star-crossed world behind
But when they cut me open
I guess I changed my mind
And you know I might
Have just (3)_____ too far from the (4)_____
this time
'Cause they calling me by my name
And the zipping white (5)_____ beams
Disregarding bombs and satellites
That was the turning point
That was one (6)_____ night
The (7)_____ (8)_____ says it ain't so bad
The dream maker's gonna make you mad
The spaceman (9)_____ everybody (10)_____
down
It's all in your mind
Well now I'm back at home and
I'm looking forward to (11)_____ (12)_____ I live
You know it's (13)_____ (14)_____ me
So hesitation to this life I give
You think you (15)_____ cross over
You caught between the devil and the deep blue sea
You better look it over
Before you make that leap
And you (16)_____ I'm fine but I hear those voices at
night
Sometimes... they justify my claim
And the public don't dwell on my transmission

'Cause it wasn't televised...
But it was a turning point
Oh what a lonely night
The star maker says it ain't so bad
The dream maker's (17)_____ make you mad
The spaceman says everybody look down
It's all in your mind
The star maker says it ain't so bad
The (18)_____ maker's (19)_____ make you
mad
The spaceman says everybody look down
It's all in your mind
My global position systems are vocally addressed
They say the Nile (20)_____ to run from (21)_____
to west
They say the Nile used to run from east to west
I'm fine
But I hear those voices at night
Sometimes...
The star maker says it ain't so bad
The dream maker's gonna (22)_____ you mad
The spaceman says everybody look down
It's all in (23)_____ mind
The (24)_____ maker says It ain't so bad
The (25)_____ maker's gonna (26)_____ you
mad
The (27)_____ says everybody look down
It's all in your mind
It's all in my mind
It's all in my mind...

Fill in the gaps

Answer
