Spaceman by The Killers

It started with a low light
Next thing I knew they ripped me from my bed
And then (1)_____ took my blood type
They left a strange impression in my head
You know that I was hoping
That I could leave (2)_____ star-crossed world behind
But when they cut me open
I (3)_____ I (4)_____ my mind
And you know I might
Have just flown too far from the floor this time
'Cause they calling me by my name
And the zipping white light beams
Disregarding bombs and satellites
That was the turning point
That was one lonely night
The star (5)_____ says it ain't so bad
The dream maker's gonna make you mad
The (6)_____ says everybody look down
Its all in your mind
Well now I'm back at home and
I'm looking forward to this life I live
You (7)_____ it's gonna haunt me
So hesitation to this life I give
You (8)_____ you might cross over
You (9)_____ between the devil and the deep blue
sea
You better look it over
Before you make that leap
And you know I'm fine but I hear those (10)_____ at
night
Sometimes... they justify my claim
And the (11)_____ don't dwell on my transmission

'Cause it wasn't televised...
But it was a turning point
Oh what a lonely night
The star maker says it ain't so bad
The dream maker's gonna make you mad
The spaceman says everybody (12)_____ down
It's all in your mind
The star maker says it ain't so bad
The dream maker's gonna make you mad
The (13)_____ (14)_____
(15)_____ look down
Its all in your mind
My (16)_____ position systems are
(17)_____ addressed
They say the Nile (18)_____ to run from (19)_____
to west
They say the Nile used to run (20)_____ (21)_____
to west
I'm fine
But I (22)_____ those voices at night
Sometimes...

The dream maker's (23)_____ make you mad
The spaceman says everybody look down
Its all in your mind
The star (24)_____ (25)_____ It ain't so bad
