Secret Garden by Bruce Springsteen

She'll let you in her house			To that place (8)	you can't remember
If you (1)	knocking late at night		And you can't forget	
She'll let you in her mouth			She'll lead you down a path	
If the words you say are right			There'll be tenderness in the air	
If you pay the price			She'll let you (9)	just far enough
She'll let you (2) inside			So you know she's really there	
But there's a secret garden she hides			Then she'll look at you and smile	
She'll let you in her car			And her eyes (10) say	
To go driving 'round			She's got a secret garden	
She'll let you into the parts of herself			Where everything you want	
That'll bring you down			Where everything you need	
She'll let you in her heart			Will (11)	stay
If you got a (3) and a vise		A million miles away		
But (4)	her (5)	garden, don't think		
twice				
You've (6)	a (7)	miles		
How far'd you get
