

Fill in the gaps

Saying I love you
Is not the (1) I want to hear (2) you
It's not that I want you
Not to say, but, if you only knew
How easy, it would be to show me how you feel
More than words, is all you have to do to (3) it real
Then you wouldn't have to say, that you love me
Cos I'd already know
What would you do, if my heart was torn in two
More than words to show you feel
That your love for me is real
What would you say, if I (4) those words away
Then you couldn't (5) (6) new
Just by saying I love you
More than words
Now that I've tried to, talk to you and make you understand
All you have to do is close your eyes
And just reach out your hands, and (7) me
Hold me (8) don't ever let me go
More than words, is all I ever needed you to show
Then you wouldn't (9) to say, (10) you love me
Cos I'd already know
More than words
More than words
