

Fill in the gaps

Faithfulness	Been running from (6) heart
Distracts me (1) my ever changing	And I feel like you've been running too
Tastefulness	Don't you know that I've
My (2) upon the richest tongues	Been lying from the start
I run for this	And I feel like you've been
Static at the same time by it all	Lying too
Common sense	Faithfulness is just a little rule
Can slap me in the face	We break
And yet I calm disent	Still (7) lust was just a fool
Embarrassed by (3) obvious	We faked, we made
Indifference	
Disgusted at the same time by it all	Don't you know that I've
Watching as my ego breaks your fall	Been running from your heart
Don't you know that I've	And I feel like you've been running too
Been running from your heart	Don't you know that I've
And I feel like you've been running too	Been lying from the start
Don't you know that I've	And I feel like you've been
Been lying from the start	Lying too
And I feel like you've been lying too	Don't you know that I've
Leave you now	Been running from your heart
Can't convince myself	And I feel like you've been (8) too
That you're the one somehow	Don't you know (9) I've
To free me (4) this smile	Been lying (10) the start
I call my loneliness	And I feel like you've
Stuck inside this (5) to feel complete	Been lying too
Now I've left you standing on your feet	
Don't you know that I've
