

Fill in the gaps

Faithfulness	Been running from your heart
Distracts me (1) my ever changing	And I feel (16) you've been running too
Tastefulness	Don't you know that I've
My mouth upon the richest tongues	Been lying from the start
I run for this	And I (17) (18) you've been
Static at the same (2) by it all	Lying too
Common sense	Faithfulness is (19) a little rule
Can (3) me in the face	We break
And yet I calm disent	Still (20) lust was (21) a
Embarrassed by your obvious	fool
Indifference	We faked, we made
Disgusted at the same (4) by it all	
Watching as my ego breaks your fall	Don't you know that I've
Don't you know that I've	Been running from your heart
Been (5) (6) (7)	And I feel like you've been running too
heart	Don't you know that I've
And I feel (8) you've been running too	Been (22) from the start
Don't you know that I've	And I feel (23) you've been
Been lying from the start	Lying too
And I feel (9) you've been lying too	Don't you know that I've
Leave you now	Been running from your heart
Can't convince myself	And I feel like you've been running too
That you're the one somehow	Don't you know that I've
To free me (10) this smile	Been (24) from the start
I call my loneliness	And I feel like you've
Stuck (11) this (12) to feel	Been lying too
complete	
Now I've left you standing on (13) feet	
Don't you (14) I've
