

The cracks in our foundation

## Fill in the gaps

Thursday night, everyth	ning's fine	And I know that I (5)	let go, but I can't
Except you've got that look in (1) eye		And every (6) we fight I know it's not right	
When I'm (2) a story, and you find it boring		Every time that you're upset and I smile	
You're thinking of something to say		I know I should forget, but I can't	
You'll go along with it, then drop it		Your face is pastey	
And humiliate me in (3) of our friends		'Cause you've gone and got so wasted	
Then I'll use that voice that you find annoying		What a surprise	
And say something like,		Don't want to look at your face, 'cause it's making me sick	
"Yeah, intelligent input, darling.		You've gone and got sick on my trainers	
Why don't you just have another beer then?"		I only got these yesterday	
Then you'll call me a bitch		Oh my gosh, I cannot be bothered with this	
And everyone we're with will be embarrassed		Well, I'll leave you there 'till the morning	
And I won't give a shit		And I purposely won't turn the heating on	
My fingertips are holding onto		And (7) God, I hope I'm not stuck with this one	
The cracks in our foundation		My fingertips are holding onto	
And I know that I should let go, but I can't		The cracks in our foundation	
And every time we fight I know it's not right		And I know (8) I should let go, but I can't	
Every time that you're upset and I smile		And every time we fight I know it's not right	
I know I (4)	forget, but I can't	Every time that you're upset a	nd I smile
You said I must eat so many lemons		I know I should forget, but I can't	
'Cause I am so bitter		And every time we fight I know it's not right	
I said, "I'd rather be with your friends, mate,		Every time that you're (9)	and I smile
'Cause they are much fitter."		I know I should forget, but I can't	
Yes, it was childish		And every time we fight I know it's not right	
And you got aggressive		Every time that you're upset and I smile	
And I must admit that I was a bit scared		I know I should forget, but I can't	
But it gives me thrills to	wind you up		
My fingertips are holding	ng onto
