

Fill in the gaps

Thursday night, everything's fine	And I know that I should let go, but I can't
Except you've got that look in your eye	And every time we (5) I know
When I'm telling a story, and you find it boring	Every time that you're upset and I smile
You're thinking of something to say	I know I should forget, but I can't
You'll go along with it, then drop it	Your face is pastey
And humiliate me in front of our friends	'Cause you've gone and got so wasted
Then I'll use that voice (1) you (2)	What a surprise
annoying	Don't want to look at your face, 'cause it's
And say something like,	You've gone and got sick on my trainers
"Yeah, intelligent input, darling.	I only got these yesterday
Why don't you just have another beer then?"	Oh my gosh, I cannot be bothered with this
Then you'll call me a bitch	Well, I'll leave you there 'till the morning
And everyone we're with will be embarrassed	And I purposely won't turn the heating on
And I won't give a shit	And dear God, I hope I'm not stuck with th
My fingertips are holding onto	My (6) are holdi
The cracks in our foundation	The (7) in our foundation
And I know that I should let go, but I can't	And I know that I should let go, but I can't
And every time we (3) I know it's not right	And every time we fight I know it's not righ
Every time that you're upset and I smile	Every time that you're upset and I smile
I know I should forget, but I can't	I know I should forget, but I can't
You said I (4) eat so many lemons	And every time we (8) I know
'Cause I am so bitter	Every time that you're upset and I smile
I said, "I'd rather be with your friends, mate,	I (9) I should forget, but I can't
'Cause they are much fitter."	And every time we fight I know it's not righ
Yes, it was childish	Every time that you're upset and I smile
And you got aggressive	I know I should forget, but I can't
And I must admit that I was a bit scared	
But it gives me thrills to wind you up	
My fingertips are holding onto	
The cracks in our foundation	

And every time we (5) I know it's not right	
Every time that you're upset and I smile	
I know I should forget, but I can't	
Your face is pastey	
'Cause you've gone and got so wasted	
What a surprise	
Don't want to look at your face, 'cause it's making me sick	
You've gone and got sick on my trainers	
I only got these yesterday	
Oh my gosh, I cannot be bothered with this	
Well, I'll leave you there 'till the morning	
And I purposely won't turn the heating on	
And dear God, I hope I'm not stuck with this one	
My (6) are holding onto	
The (7) in our foundation	
And I know that I should let go, but I can't	
And every time we fight I know it's not right	
Every time that you're upset and I smile	
I know I should forget, but I can't	
And every time we (8) I know it's not right	
Every time that you're upset and I smile	
I (9) I should forget, but I can't	
And every time we fight I know it's not right	
Every time that you're upset and I smile	
I know I should forget, but I can't
