

Fill in the gaps

Thursday night, everything's fine	And I know that I should let go, but I can't
Except you've got that look in your eye	And every time we fight I know it's not right
When I'm (1) a story, and you find it boring	Every time that you're upset and I smile
You're (2) of something to say	I (19) I should forget, but I can't
You'll go along (3) it, (4) drop it	Your face is pastey
And humiliate me in front of our friends	'Cause you've gone and got so wasted
Then I'll use that voice (5) you find annoying	What a surprise
And say (6) like,	Don't want to look at your face, 'cause it's (20)
"Yeah, (7) input, darling.	me sick
Why don't you just have another (8) then?"	You've gone and got (21) on my trainers
Then you'll call me a bitch	I only got these yesterday
And everyone we're with (9) be embarrassed	Oh my gosh, I cannot be bothered with this
And I won't give a shit	Well, I'll leave you (22) 'till the morning
My fingertips are holding onto	And I purposely won't turn the heating on
The cracks in our foundation	And dear God, I (23) I'm not stuck with
And I know (10) I (11) let go, but I	(24) one
can't	My fingertips are holding onto
And every time we (12) I know it's not right	The (25) in our foundation
Every (13) (14) you're (15)	And I (26) that I should let go, but I can't
and I smile	And every time we fight I know it's not right
I know I should forget, but I can't	Every time that you're upset and I smile
You said I must eat so many lemons	I know I should forget, but I can't
'Cause I am so bitter	And every time we fight I know it's not right
I said, "I'd (16) be with your friends, mate,	Every (27) that you're upset and I smile
'Cause they are (17) fitter."	I know I should forget, but I can't
Yes, it was childish	And every (28) we fight I know it's not right
And you got aggressive	Every time that you're upset and I smile
And I must admit that I was a bit scared	I know I (29) forget, but I can't
But it gives me thrills to wind you up	
My fingertips are (18) onto
