Hips Don't Lie by Shakira & Wyclef Jean

	Half animal half man
I (1) really knew that she could dance like this	I don't don't really know what I'm doing
She makes a man (2) to speak Spanish	But you seem to have a plan
	My will and self restraint
Oh baby when you talk like that	Have come to fail now fail now
You make a woman go mad	See I am doing what I can but I can't so you know
So be wise and keep on	That's a bit too hard to explain
Reading the signs of my body	
And I'm on tonight	I never really knew that she could dance like this
You know my hips don't lie	She makes a man want to speak Spanish
And I'm starting to feel it's right	
All the attraction the tension	Oh baby when you (6) like that
Don't you see baby this is perfection	You know you got me hypnotized
Hey Girl I can see your body moving	So be wise and (7) on
And it's driving me crazy	Reading the signs of my body
And I didn't have the slightest idea	(Señorita) feel the conga let me see you move
Until I saw you dancing	Like you come from Colombia
And when you walk up on the dance floor	She's so sexy every man's fantasy a refugee like me
Nobody cannot (3) the way you move	Back with the Fugees from a 3rd world country
(4) body girl	I go back like when 'pac carried crates for Humpty Humpty
And everything so unexpected the way you right and left it	We need a whole club dizzy
So you can keep on taking it	Why the CIA wanna watch us?
I never (5) knew that she could dance like this	Colombians and Haitians
She makes a man want to speak Spanish	I ain't guilty it's a musical transaction
	No more do we snatch ropes Refugees
Oh baby when you talk like that	Run the seas 'cause we own our own boats
You make a woman go mad	I'm on tonight my hips don't lie
So be wise and keep on	And I'm starting to feel you boy
Reading the signs of my body	Come on let's go real slow
And I'm on tonight	Baby (8) this is perfecto
You know my hips don't lie	Oh you know I am on tonight and my hips don't lie
And I am starting to feel you boy	And I am starting to feel it's right
Come on lets go real slow	The attraction the tension
Don't you see baby (asi es perfecto)	Baby like (9) is perfection
Oh I know I am on tonight my hips don't lie	
And I am starting to feel it's right	
All the attraction the tension
