Fill in the gaps

The Lady In Red by Chris De Burgh

I've never seen you looking so lovely	Want to be there by your side
As you did tonight	And (7) you turned to me and smile
I've never (1) you shine so bright	You took my breath away
I've never seen so many men ask you	I have never had such a feeling
If you wanted to dance	Such a feeling of complete and utter love
Looking for a little romance	As I do tonight
Giving half the chance	Lady in red
I (2) never seen that dress (3) wearing	Is dancing with me
Or the highlights in your hair that catch your eyes	(Cheek to cheek)
I have been blind	There's nobody here
Lady in red	Just you and me
Is dancing (4) me	It's where I wanna be
Cheek to cheek	I hardly know
There's nobody here	This beauty by my side
Just you and me	Never forget
It's where I wanna be	The way you (8) tonight
I hardly know	I will never forget
This (5) by my side	The way you look tonight
Never forget	Lady in red
The way you look tonight	Lady in red
I've never seen you look so gorgeous	Lady in red
As you did tonight	My lady in red
I've never seen you shine so bright	I love you
You were amazing
