The Lady In Red by Chris De Burgh

I've never seen you looking so lovely	Want to be there by your side
As you did tonight	And when you turned to me and smile
I've never seen you (1) so bright	You took my breath away
I've never seen so many men ask you	I have never had such a feeling
If you (2) to dance	Such a (9) of complete and utter love
Looking for a little romance	As I do tonight
Giving half the chance	Lady in red
I (3) never seen that dress (4) wearing	Is dancing with me
Or the highlights in your (5) that (6)	(Cheek to cheek)
your eyes	There's nobody here
I have been blind	Just you and me
Lady in red	It's where I wanna be
Is dancing with me	I hardly know
Cheek to cheek	This beauty by my side
There's (7) here	Never forget
Just you and me	The way you look tonight
It's where I wanna be	I will never forget
I hardly know	The way you look tonight
This (8) by my side	Lady in red
Never forget	Lady in red
The way you look tonight	Lady in red
I've never seen you look so gorgeous	My lady in red
As you did tonight	I (10) you
I've never seen you shine so bright	
You were amazing	
I've never seen so many people
