

And everything's goin' right, right...

## Fill in the gaps

(Hey yeah yeah)		And (5) has a funny way
An old man turned ninety-eight		Nobody helpin' you out
He won the lottery and died the next day		When you think everything's (6) wrong
It's a black fly in (1) Chardonnay		And everything (7) up in your face
It's a death row pardon two minutes too late		A traffic jam when you're already late
Isn't it ironic		A no smoking sign on your cigarette break
Don't you think?		It's like ten thousand spoons
It's like rain on your weddin' day		When all you need is a knife
It's a free ride when you've already paid		It's meeting the man of my dreams
It's the good (2)	that you just didn't take	And then meetin' his beautiful wife
And who would've thought, it figures		And isn't it ironic
Mr. Play It Safe was afraid to fly		Don't you think?
He packed his suitcase and kissed his kids goodbye		A little too ironic
He waited his (3)	(4) life to take that	And yeah, I really do think
flight		It's (8) rain on (9) weddin' da
And as the plane crashed down he thought		It's a free ride when you've already paid
Well, isn't this nice		It's the good advice that you just didn't take
And isn't it ironic		And who would've thought, it figures
Don't you think?		And your life has a funny way
It's like rain on your weddin' day		Of sneaking up on you
It's a free ride when you've already paid		Life has a funny, funny way
It's the good advice that you just didn't take		Of helping you out
And who would've thought, it figures		Helping you out
Well life has a funny way		
Of sneakin' up on you		
When you think everything's ok	ay
