

Fill in the gaps

You'll (1) me when the west	I (10) made (11) lightly
(2) moves	And there have (12) some that I've broken
Upon the fields of barley	But I swear in the days (13) left
You'll (3) the sun in his jealous sky	We'll (14) in (15) of gold
As we walk in fields of gold	We'll walk in (16) of gold
So she took her love	Many years (17) passed since those summer days
For to (4) awhile	Among the (18) of barley
Upon the (5) of barley	See the children run as the sun goes down
In his arms she fell as her hair came down	Among the fields of gold
Among the (6) of gold	You'll (19) me (20) the west
Will you stay with me, will you be my love	(21) moves
Among the (7) of barley	Upon the fields of barley
We'll (8) the sun in his jealous sky	You can tell the sun in his jealous sky
As we lie in fields of gold	When we (22) in fields of gold
See the west wind move like a lover so	When we (23) in (24) of gold
Upon the fields of barley	When we walked in (25) of gold
Feel her body rise when you (9) her mouth	
Among the fields of gold
