

Heart to heart (heart to heart)

Left right left

Fill in the gaps

Step by step	We all fall (5) (fall down)
Heart to heart	Like toy soldiers
Left, right, left	Bit by bit (bit by bit)
We all fall down	Torn apart (torn apart)
Like toy soldiers	We never win
It wasn't my intention to mislead you	But the battle rages on
It (1) should have been this way	For toy soldiers
What can I say	We never win
It's true, I did extend the invitation	Only emptiness remains
I never knew how long you'd stay	It replaces all of the pain
When you hear temptation call	(Won't you come out and play with me)
It's your heart that takes, takes the fall	Step by step
(Won't you come out and play with me)	Heart to heart (heart to heart)
Step by step	Left right left
Heart to heart (heart to heart)	We all fall down (fall down)
Left right left	Like toy soldiers
We all fall down (fall down)	Bit by bit (bit by bit)
Like toy soldiers	Torn (6) (torn apart)
Bit by bit (bit by bit)	We (7) win
Torn apart (torn apart)	But the battle rages on
We (2) win	For toy soldiers
But the battle rages on	Step by step
For toy soldiers	Heart to heart (heart to heart)
It's getting hard to wake up in the morning (morning)	Left right left
My head is spinning constantly	We all fall (8) (fall down)
How can it be? (how can it be?)	Like toy soldiers
How could I be so blind to this addiction?	Bit by bit (bit by bit)
If I don't stop, the next one is (3) be me	Torn apart (torn apart)
Only emptiness remains	We never win
It replaces all, all of the pain	But the battle rages on
(Won't you come out and (4) with me)	For toy soldiers
Step by step
