Beyond the norizon of the place we lived	There's a nunger still unsatisfied
When we were young	Our weary eyes still (8) to the horizon
In a world of magnets and miracles	The dog is road, we've been so (9) time
Our thoughts strayed (1) and	The grass was greener
without boundary	The light was brighter
The ringing of the (2) bell had begun	With friends surrounded
Along the Long Road and on (3) the Causeway	The nights of wonder
Do they still meet there by the Cut	With friends surrounded
There was a ragged band that followed our footsteps	The dawn mist growing
Running before time (4) our dreams away	The water flowing
Leaving the myriad small creatures	The endless river
Trying to tie us to the ground	Forever and ever
To a life consumed by slow decay	The grass was greener
The (5) was greener	The light was brighter
The light was brighter	The taste was sweeter
With friends surrounded	The nights of wonder
The nights of wonder	With friends surrounded
Looking beyond the embers of bridges glowing behind us	The dawn mist growing
To a (6) of how green it was on the other	The water flowing
side	The endless river
Steps taken forwards but sleepwalking back again	Forever and ever
Dragged by force of some inner tide	
At a higher altitude with flag unfurled	
We reached the dizzy heights of that dreamed of world	
Encumbered forever by (7) and ambition
