

Fill in the gaps

Don't cry victim to me	I'm entitled to overcome
Everything we are and (1) to be	Completely (10) and numb
Is (2) and gone	Knock me down, throw me to the floor
Now it's my (3) to speak	There's no pain, I can't feel no more
It's my turn	I'm entitled to overcome
To expose and release what's (4) killing me	Overcome
l'll be (5) you	(Overcome) You'll never know
It's impossible	What I was (11) before you
Impossible	(12) around
Say goodbye, (7) no sympathy	Take a step, take a breath, put your (13) down
I'm entitled to overcome	I cannot worry anymore of (14) you
Completely (8) and numb	(15) of me
Knock me down, throw me to the floor	I may be crazy but I'm buried in your memory
There's no pain, I can't feel no more	I'm entitled to overcome
I'm entitled to overcome	Completely (16) and numb
Overcome	Knock me down, throw me to the floor
Finally see what's beneath	There's no pain, I can't feel no more
Everything I am and hope to be	I'm entitled to overcome
Cannot be lost	Completely stunned and numb
I'll be dammed fighting you	I'm entitled to overcome
You're impossible	Completely (17) and numb
Impossible	I'm entitled to overcome
Say goodbye, (9) no sympathy	I may be (18) but I'm buried in (19)
