Broken Strings by James Morrison & Nelly Furtado

Let me hold you	I try to hold on but it hurts too much
For the last time	I try to forgive but it's not enough
It's the last chance to (1) again	To make it all okay
But you broke me	You can't play on (12) strings
Now I can't (2) anything	You can't (13) anything
When I (3) you and so untrue	That your (14) don't (15) to feel
I can't even convince myself	I can't tell you something that ain't real
When I'm speaking	Oh, the truth hurts
It's the voice of someone else	And (16) worse
Oh it tears me up	How can I give anymore
I try to hold on but it hurts too much	When I love you a (17) less (18)
I try to forgive but it's not enough	before?
To make it all okay	But we're running (19) the fire
You can't play on (4) strings	When there's nothing left to save
You can't feel anything	It's like chasing the (20) last train
That your heart don't want to feel	When we both know it's too late (too late)
I can't (5) you (6) that ain't	You can't play on broken strings
real	You can't feel anything
Oh the truth hurts	That your (21) don't want to feel
And lies worse	I can't tell you (22) that ain't real
How can I give anymore	Oh, the (23) hurts
When I (7) you a little less than before?	And (24) worse
Oh, what are we doing?	So how can I give anymore
We are turning (8) dust	When I love you a (25) less than before?
Playing house in the ruins of us	Oh, you know that I (26) you a little less than
Running (9) through the fire	before
When there's nothing left to save	Let me (27) you for the last time
It's like chasing the (10) last train	It's the (28) chance to feel again
When it's too late (too late)	
Oh it (11) me up
