

I wanna heal

Fill in the gaps

Somewhere I Belong by Linkin Park

(When this began)	I wanna feel
I had (1) to say	What I thought was never real
And I'd get lost in the nothingness inside of me	I wanna let go of the (15) I've (16) so
(I was confused)	long
And I let it all out to find	(Erase all the pain (17) it's gone)
That I'm not the only person with these things in mind	I wanna heal
(Inside of me)	I wanna feel
But all that they can see the words revealed	Like I'm close to something real
Is the (2) real thing that I've got left to feel	I wanna find something I've wanted all along
(Nothing to lose)	Somewhere I belong
Just stuck, hollow and alone	I will never know
And the fault is my own	Myself until I do (18) on my own
And the fault is my own	And I will (19) feel
I (3) heal	Anything else (20) my wounds are healed
I wanna feel	I will (21) be
What I thought was never real	Anything (22) I (23) away from me
I wanna let go of the pain I've (4) so long	I will break away
(Erase all the (5) till it's gone)	l'II find (24) today
I wanna to heal	I wanna heal
I (6) to feel	I wanna feel
Like I'm close to (7) real	What I thought was (25) real
I wanna (8) I've wanted	I wanna let go of the (26) I've felt so long
all along	(Erase all the pain till it's gone)
Somewhere I belong	I wanna heal
And I've got (10) to say	I wanna feel
I can't believe I didn't fall right down on my face	Like I'm close to something real
(I was confused)	I (27) find something I've (28) all
Looking everywhere only to find	along
That it's not the way I had imagined it all in my mind	Somewhere I belong
(So what am I)	I wanna heal
What do I (11) but negativity	I wanna (29) like I am
'Cause I can't justify way everyone is (12)	Somewhere I belong
at me	I wanna heal
(Nothing to lose)	I wanna feel like I am
Nothing to gain, (13) and alone	Somewhere I belong
And the (14) is my own	Somewhere I belong
And the fault is my own
