

Gave you all I had

## Fill in the gaps

Easy come (1) go	And you tossed it in the trash
Thats just how you live	You (16) it in the trash, yes you did
Oh (2) it all	To give me all your (17) is all I ever ask
But you (5) give	Cause what you don't understand is
Should've known	I'd catch a grenade for ya
You was trouble (6) the first kiss	Throw my (18) on a blade for ya
Had you eyes wide open	I'd jump in front of a train for ya
Why were they open?	You know I'd do (19) for ya
Gave you all I had	I would go through all (20) pain
And you tossed it in the trash	Take a bullet straight through my brain
You tossed it in the trash, you did	Yes I would die for you baby
To (7) me all your (8) is all I ever ask	But you won't do the same
Cause what you don't (9) is	If my (21) was on fire
I'd catch a grenade for ya	Oh you'd watch me burn (22) in flames
Throw my hand on a blade for ya	You said you (23) me, you're a liar
I'd jump in (10) of a train for ya	Cause you never ever, ever did baby
You know I'd do anything for ya	But darling I'd still catch a grenade for ya
I would go (11) all this pain	Throw my hand on a blade for ya
Take a bullet straight (12) my brain	I'd jump in front of a train for ya
Yes I would die for you baby	You know I'd do anything for ya
But you won't do the same	l (24) go (25) all this pain
No no no no no	Take a bullet straight through my brain
Black, black, black and blue	Yes I would die for you baby
Beat me till I'm numb	But you won't do the same
Tell the (13) I said hey	No you won't do the same
When you get back to where you from	You wouldn't do the same
Mad woman, bad woman	Oh, you'd never do the same
That's (14) (15) you are	No no no no
Yeah you smile in my face	
Then rip the brakes out my car
