

There are no miracles

Fill in the gaps

I talk to God as much as I talk to (1) cause	And this is no miraculous life
I want to hear both sides	We (7) into the tide
Does that make me cynical	Well I look up to god but I see
There are no miracles	Trouble 'cause this ain't no Miracle
And this is no miraculous life	I just want to take my (8) to live through a
I savour hate as much as I crave (2) because	miracle
I'm just a twisted guy	When the see-saw snaps and splinters your hand
Is (3) the pinnacle, is this the pinnacle	Don't come crying to me
The pinnacle of being alive	I'll only see your good side
Now I see the light	And believe it's a miracle
Well I look up to god but I see	A miracle
Trouble 'cause this aint a Miracle	I slap the water and watch
I just want to take my (4) to live through a	The fish dance in the ripples of us
miracle	We're (9) stubborn duds
	Blinking eyes encased in rust
I know for certain that some one is watching but	This aint a miracle
Is it from up or down	This aint a miracle
I make you miserable you stick with me although	This aint a miracle
You know I'm gonna ruin your life	This aint a miracle
I (5) to God as much as I talk to (6)	(Ooah)
'cause	(Ooah)
I want to hear both sides	
Does that make me cynical
