

I never said I'd leave this town

That Green Gentleman by Panic! At The Disco

Things are shaping up to be pretty odd	A falling out we won't tiptoe about
Little deaths in musical beds	Everybody gets there and everybody gets their
So it seems I'm (1) I've (2)	Everybody gets their way
met	I never said I missed her when everybody kissed her
You will only hear these (3) crimes	Now I'm the only one to blame
Fall on your ears from criminal dimes	Things have changed for me, and that's okay
They spill unfound from a pretty mouth	I feel the same, I'm on my way, and I say
Everybody gets there and everybody (4) their	Things have changed for me, and that's okay
Everybody gets their way	I feel the same, and I say
I never (5) I (6) her when	Things have changed for me, and that's okay
everybody kissed her	I feel the same, and I say
Now I'm the only one to blame	Things have changed for me, and that's okay
Things have changed for me, and that's okay	I (8) the same, and I say
I feel the same, I'm on my way, and I say	Things (9) changed for me, and that's oka
Things have changed for me, and that's okay	I'm on my way, and I say
I want to go where everyone goes	Things have (10) for me
I want to know (7) everyone knows	
I want to go where everyone feels the same	
I never said I'd leave the city
