

I never said I'd leave this town

Fill in the gaps

That Green Gentleman by Panic! At The Disco

I hings are shaping up to be pretty odd	A falling out we won't tiptoe about
Little deaths in musical beds	Everybody gets there and everybody gets their
So it seems I'm (1) I've never met	Everybody gets their way
You will only hear (2) elegant crimes	I (8) said I missed her (9) everybody
Fall on your ears from criminal dimes	kissed her
They spill (3) (4) a pretty mouth	Now I'm the only one to blame
Everybody gets there and (5) gets	Things have changed for me, and that's okay
their	I feel the same, I'm on my way, and I say
Everybody gets their way	Things have changed for me, and that's okay
I never (6) I missed her when everybody kissed	I feel the same, and I say
her	Things have changed for me, and that's okay
Now I'm the only one to blame	I feel the same, and I say
Things have changed for me, and that's okay	Things have changed for me, and that's okay
I feel the same, I'm on my way, and I say	I feel the same, and I say
Things have changed for me, and that's okay	Things have changed for me, and that's okay
I want to go where everyone goes	I'm on my way, and I say
I want to (7) what everyone knows	Things have changed for me
I want to go where everyone feels the same	
I never said I'd leave the city	

1. someone

- 2. these
- 3. unfound
- 4. from
