

## Fill in the gaps

### Sleeping In The Fire by Wasp

Touch, touch in the flame's desires

Feeling the pain's denial,

And your fingers in the fire

Look, look in the candle light

See in the (1)\_\_\_\_\_ of life

And my spell is our lie

[Chorus:]

Taste the love

The Lucifer's magic (2)\_\_\_\_\_ makes you numb

The passion and all the (3)\_\_\_\_\_ are one

You're sleeping in the fire

Taste the love

The Lucifer's magic that makes you numb

You feel what it does and you're (4)\_\_\_\_\_ on love

You're (5)\_\_\_\_\_ in the fire

I (6)\_\_\_\_\_ at the (7)\_\_\_\_\_ and fire burn

And cry out the (8)\_\_\_\_\_ of which I yearn

[Chorus]

Taste the love

The Lucifer's magic that makes you numb

The passion and all the (9)\_\_\_\_\_ are one

You're sleeping in the fire
