

**Fill in the gaps**

## Sleeping In The Fire by Wasp

Touch, touch in the flame's desires

Feeling the pain's denial,

And (1)\_\_\_\_\_ (2)\_\_\_\_\_ in the fire

Look, look in the candle light

See in the flame of life

And my spell is our lie

[Chorus:]

Taste the love

The Lucifer's magic that makes you numb

The passion and all the pain are one

You're (3)\_\_\_\_\_ in the fire

Taste the love

The Lucifer's magic (4)\_\_\_\_\_ (5)\_\_\_\_\_ you numb

You (6)\_\_\_\_\_ what it (7)\_\_\_\_\_ and you're (8)\_\_\_\_\_ on love

You're sleeping in the fire

I (9)\_\_\_\_\_ at the (10)\_\_\_\_\_ and fire burn

And cry out the name of which I yearn

[Chorus]

Taste the love

The Lucifer's magic that makes you numb

The passion and all the pain are one

You're sleeping in the fire
