

**Fill in the gaps**

**Sleeping In The Fire by Wasp**

Touch, touch in the flame's desires

Feeling the pain's denial,

And your fingers in the fire

Look, look in the (1)\_\_\_\_\_ light

See in the flame of life

And my spell is our lie

[Chorus:]

Taste the love

The Lucifer's magic that makes you numb

The passion and all the (2)\_\_\_\_\_ are one

You're sleeping in the fire

Taste the love

The Lucifer's magic (3)\_\_\_\_\_ makes you numb

You feel (4)\_\_\_\_\_ it does and you're drunk on love

You're sleeping in the fire

I gaze at the (5)\_\_\_\_\_ and (6)\_\_\_\_\_ burn

And cry out the name of which I yearn

[Chorus]

Taste the love

The Lucifer's magic that (7)\_\_\_\_\_ you numb

The (8)\_\_\_\_\_ and all the (9)\_\_\_\_\_ are one

You're sleeping in the fire
