### Sleeping In The Fire by Wasp

Touch, touch in the flame's desires

Feeling the pain's denial,

And your fingers in the fire

Look, look in the candle light

See in the (1)\_\_\_\_\_ of life

And my spell is our lie

[Chorus:]

Taste the love

The Lucifer's magic that makes you numb

The (2)\_\_\_\_\_ and all the pain are one

You're sleeping in the fire

Taste the love

The Lucifer's magic that makes you numb

You feel (3)\_\_\_\_\_ it does and you're drunk on love

You're sleeping in the fire

I (4)\_\_\_\_\_ at the flame and fire burn

And cry out the name of which I yearn

[Chorus]

Taste the love

The Lucifer's (5)\_\_\_\_\_ (6)\_\_\_\_\_ makes you numb

The (7)\_\_\_\_\_ and all the pain are one

You're (8)\_\_\_\_\_ in the (9)\_\_\_\_\_
