

**Fill in the gaps**

**Sleeping In The Fire by Wasp**

Touch, touch in the flame's desires

Feeling the pain's denial,

And your fingers in the fire

Look, (1)\_\_\_\_\_ in the (2)\_\_\_\_\_ light

See in the flame of life

And my spell is our lie

[Chorus:]

Taste the love

The Lucifer's magic that makes you numb

The passion and all the pain are one

You're (3)\_\_\_\_\_ in the fire

Taste the love

The Lucifer's magic that makes you numb

You (4)\_\_\_\_\_ what it does and you're drunk on love

You're sleeping in the fire

I gaze at the (5)\_\_\_\_\_ and (6)\_\_\_\_\_ burn

And cry out the name of which I yearn

[Chorus]

Taste the love

The Lucifer's magic that (7)\_\_\_\_\_ you numb

The passion and all the pain are one

You're sleeping in the fire

**Fill in the gaps**

Answer

1. look
