

Fill in the gaps

Farewell heartless world	Lazarus at Frankenstein's
I'll (1) you a postcard burnt in the flames	Babe, I'll be a (16) for a heart killer
You've tried so hard	A little we die (17) the (18) light
To extinguish (2) the fear of failing	For you I'm open wide
I'll write down everything I have learned	Babe, I'll be a flatliner for a heartkiller
And (3) it down to a (4) word	Paint all your sorrows for me to sing
Love, for you I'm waiting, anticipating	Heartkiller
Sparks (5) fly (6) the	Draw your pain and hear me hum it out
(7) alight	
Lazarus at Frankenstein's	Sparks (19) fly beneath the luna alight
Babe, I'll be a flatliner for a heartkiller	Lazarus at Frankenstein's
A little we die (8) the lesser light	Babe, I'll be a flatliner for a heartkiller
For you I'm open wide	A little we die above the (20) light
Babe, I'll be a flatliner for a heartkiller	For you I'm open wide
Heartkiller	Babe, I'll be a (21) for a heartkiller
Top (9) off to the return	Heartkiller, Heart
Of the beat to (10) a wound to	
Cursed for (11) and blessed for a few	Babe, I'll be a flatliner for a heartkiller
It doesn't (12) to (13) any sense at all	
Come hither and we'll fall	Babe, I'll be a (22) for a heartkiller
In love, for love	
I'm (14) out of patience, baby	
Sparks (15) fly beneath the luna alight
