

## Fill in the gaps

In your (1) eyes	If everything was everything but (15)
I (2) away	is over
In your brown eyes	Everything could be (16) if only we
Couldn't stay	were older
In (3) brown eyes	Guess its (17) a silly song (18) you
You watch her go	And how I lost you
Turn the record on	And your brown eyes
And wonder what went wrong	Everything was everything
What (4) wrong	But (19) its the last show
If (5) was everything but everything	Everything could be everything
is over	But its time to say goodbye so
Everything could be everything if (6) we	Get your last fix, and (20) last hit
(7) older	Grab your old bow (21) (22) new tricks
Guess its just a (8) (9) about you	I mean its no (23) I got lost
And how I lost you	In (24) brown eyes
And your (10) eyes	In your (25) eyes
In your brown eyes	(Brooown brooown) eyes
I was (11) low	Brown eyes
Cause the (12) eyes	(Brooown brooown) eyes
And you (13) know	Got some (26) eyes
Got some brown eyes	(Brooown brooown) eyes
But a soft face	Brown eyes
I knew (14) it was wrong	
So baby turn the record on	
Play that song
