Ain't No Rest For The Wicked by Cage The Elephant

I was walking down the street	Money don't grow on trees
When out the corner of my eye	I got bills to pay
I saw a pretty little thing approaching me	I got mouths to feed
She said "I've never seen a man	There ain't nothing in this world for free
Who looks so all alone	I know I can't slow down
Could you use a little company?	I can't hold back
If you can pay the right price	Though you know, I (8) I could
Your evening will be nice	Oh no, there ain't no rest for the wicked
And you can go and send me on my way"	Until we close our eyes for good"
I said "You're such a (1) (2) thing	
Why you do this to yourself?"	Now a couple (9) have passed
She looked at me and this is what she said:	And I was sitting at my house
"Oh, there ain't no rest for the wicked	The day was winding (10) and coming to an end
Money don't grow on trees	So I turned on the TV
I got (3) to pay	And flipped it over to the news
I got mouths to feed	And what I saw I almost couldn't comprehend
There ain't nothing in this world for free	I saw a preacher man in cuffs
I know I can't slow down	He'd taken money from the church
I can't hold back	He stuffed his bank account with righteous dollar bills
Though you know, I wish I could	But even still I can't say much
Oh no, there ain't no rest for the wicked	Because I know we're all the same
Until we close our eyes for good"	Oh yes we all seek out to satisfy those thrills
Not even fifteen minutes later	"You know there ain't no rest for the wicked
I'm still walking (4) the street	Money don't grow on trees
When I saw the shadow of a man creep out of sight	We got bills to pay
And then he sweeped up from behind	We got mouths to feed
He put a gun up to my head	There ain't nothing in this world for free
He made it clear he wasn't looking for a fight	I know we can't slow down
He said "Give me all you've got	We can't hold back
I want (5) money not your life	Though you know, we wish we could
But if you try to make a move I won't think twice"	Oh no there ain't no rest for the wicked
I go (6) "You can have my cash	Until we close our eyes for good"
But first you know I got to ask	
What made you want to live this (7) of life?"
