

And it's so white as snow

Fill in the gaps

Snow (Hey Oh) by Red Hot Chili Peppers

Come to decide that the things that I tried	Running to the field where all my tracks will be concealed
Were in my life just to get high on	And there's nowhere to go
When I sit alone come get a little known	
But I (1) (2) than myself this time	When to descend to amend for a friend
Step (3) the (4) to the sea to the sky	All the channels that have broken down
And I do believe it, we (5) on	Now you bring it up, I'm gonna ring it up
When I lay it on come get to play it on	Just to hear you sing it out
All my life to sacrifice	Step from the road to the sea to the sky
(Hey oh), listen what I say, (oh)	And I do (19) what we (20) on
I got your (hey oh), now listen what I say, (oh)	When I lay it on, come get to play it on
When (6) I know that I really can't go	All my life to sacrifice
To the (7) once (8) time to decide on	(Hey oh), listen what I say, (oh)
When it's killing me, when will I really see	I got your (hey oh), listen what I say, (oh)
All that I need to look inside	The more I see, the (21) I know
Come to believe that I (9) not leave	The more I like to let it go
Before I get my chance to ride	(Hey oh, whoa)
When it's killing me, (10) do I really need	Deep (22) the cover of another
All that I need to look inside	(23) wonder
(Hey oh), listen what I say, (oh)	Where it's so white as snow
Come (11) and (hey oh), (12) at	Privately divided by a world so undecided
(13) I say, (oh)	And there's (24) to go
The more I see, the (14) I know	In between the cover of another perfect wonder
The more I like to let it go	Where it's so white as snow
(Hey oh, whoa)	Running through the field (25) all my tracks will
Deep beneath the cover of (15) perfect	be concealed
wonder	And there's nowhere to go
Where it's so white as snow	I said (hey, hey yeah, oh yeah)
Privately (16) by a world so undecided	Tell my love now
And there's nowhere to go	(Hey, hey yeah, oh yeah)
In (17) the cover of (18)	
perfect wonder
