

The sins of our young

## Fill in the gaps

God bless us everyone	No!
We're a broken people living under loaded gun	And when I close my eyes tonight
And it can't be outfought	To symphonies of blinding light
It can't be outdone	God save us everyone
It can't outmatched	Will we burn inside the fires of a (8)
It can't be outrun, no!	suns?
God bless us everyone	Oh!
We're a broken people (1) under loaded gun	Like memories in cold decay
And it can't be outfought	Transmissions echoing away
It can't be outdone	Far from the world of you and I
It can't outmatched	Where oceans bleed into the sky
It can't be outrun	Like memories in cold decay
No!	Transmissions echoing away
And when I close my eyes tonight	Far from the world of you and I
To (2) of blinding light	Where oceans bleed into the sky
God bless us everyone	Lift me up
We're a broken (3) living under loaded gun	Let me go
Oh!	Lift me up
Like memories in cold decay	Let me go
Transmissions echoing away	Lift me up
Far from the world of you and I	Let me go
Where oceans bleed into the sky	Lift me up
God save us everyone	Let me go
Will we burn inside the fires of a thousand suns?	Lift me up
For the (4) of our hand	Let me go
The sins of our tongue	Lift me up
The (5) of our father	
The sins of our young	God bless us everyone
No!	We're a broken people living under (9) gun
God save us everyone	And it can't be outfought
Will we (6) inside the fires of a	It can't be outdone
(7) suns?	It can't outmatched
For the sins of our hand	It can't be outrun
The sins of our tongue	
The sins of our father
