Fill in the gaps

(Ooooooh, ooooooh, hey!)		I want you to know		
t's seventy two degrees, zero chance of rain		The morning's on it's way		
t's been a perfect day		Our friends all say goodbye		
We're all spinning on our heels, so far away (1)		There's nowhere else to go		
real		I hope that you'll stay the night		
n California, (hey)		(Ooooooh)		
We watched the sunset from our car, we all took it in		You'll stay the night		
And by the (2) that it was dark		(Ooooooh yeah)		
You and me had something, (yeah)		Just like the song on our radio set		
And if this is what we've got		We'll share the shelter of my single bed		
Then what we've got is gold		But it's a different tune (6)		stuck in my
We're shining bright and I want you		head		
want you to know		And it goes		
The morning's on it's way		If this is what we've got		
Our friends all say goodbye		Then what we've got is gold		
here's (3) else to go		We're shining bright and I want you		
hope that you'll stay the night		I want you to know		
(Ooooooh)		The morning's on it's way

Mixin' vodka with caffeine		If this is what we've got
