

Fill in the gaps

Nothin' On You by B.o.B. & Bruno Mars

Beautiful girls all over the world		You're my Wonder Woman, call me Mr. Fantastic
I could be chasing		Stop, now think about it
But my time would be wasted		I've been to London, I've been to Paris
They got nothing on you, baby		Even way out there in Tokyo
Nothing on you, baby		Back home down in Georgia, to New Orleans
I (1) you feel where I'm (2) f	rom	But you always steal the show
Regardless of the things in my past that I've done		And just (17) (18) girl, you got me froze
Most of it really was for the hell of the fun		Like a Nintendo 64
On a carousel, so around I spun		If you never knew, well, now you know, know, know
With no direction, just (3) get some		Beautiful girls all over the world
Tryna chase skirts, living in the summer sun		I could be chasing
And so I lost more than I had (4) won		But my time (19) be wasted
And honestly, I ended up with none		They got (20) on you, baby
It's so (5) nonsense		Nothing on you, baby
It's on my conscience		They might say hi
I'm (6) "maybe I (7)	get it	And I (21) say hey
out"		But you shouldn't worry
And I don't wanna sound redundant		About (22) they say
But I was wondering		Cuz they got nothing on you, baby
If there was something that you wanna know		Nothing on you, baby
But never mind that we should let it go		Everywhere I go
Cause we don't wanna be a TV episode		I'm always hearing (23) name
And all the bad thoughts, just let em go, go, go		And no (24) where I'm at
Beautiful girls all over the world		Girl you make me wanna sing
I (8) be chasing		Whether a bus or a plane
But my time would be wasted		Or a car, or a train
They got nothing on you, baby		No (25) girl's on my brain
Nothing on you, baby		And you the one to blame
They (9) say hi		Beautiful girls all over the world
And I might say hey		I could be chasing
But you shouldn't worry		But my time (26) be wasted
About what they say		They got nothing on you, baby
Cuz they got nothing on you, baby		Nothing on you, baby
Nothing on you, baby		They (27) say hi
Hands down, there will never be another one		And I might say hey
I've (10) around, and I've never (11)		But you shouldn't worry
another one		About what they say
Because (12) style, I 'aint (13)	got	Cuz they got nothing on you
nothin' on		
And you (14) (15) you 'aint got	nothin'	
on?		
Baby you the whole package		
Plus you pay your taxes		
And you keep it real, while them (16)	_ stay	
plastic
