Fill in the gaps

Teenagers by My Chemical Romance

They're (1) clean up (2) looks	So darken your clothes
With all the lies in the books	Or strike a violent pose
To make a citizen out of you	Maybe they'll leave you alone
Because (3) sleep with a gun	But not me
And keep an eye on you, son	Oh yeah
So they can watch all the things you do	They say
Because the (4) never work	All teenagers scare the living (16) out of me
They're gonna give you a smirk	They could care less as long as someone'll bleed
'Cause (5) got methods to (6) you clean	So (17) your clothes
They're gonna rip up your heads	Or strike a violent pose
Your aspirations to shreads	Maybe they'll leave you alone
Another cog in the murder machine	But not me
They said	All together now
All teenagers (7) the living shit out of me	Teenagers scare the (18) (19) out
They could care less as long as someone'll bleed	of me
So darken your clothes	They could care less as long as someone'll bleed
Or strike a violent pose	So darken your clothes
Maybe they'll (8) you alone	Or (20) a (21) pose
But not me	Maybe they'll leave you alone
The (9) and girls in the clique	But not me
The awful names that they stick	Teenagers scare the living shit out of me
You're never (10) fit in much, kid	They could (22) (23) as long as
But if you're (11) and hurt	someone'll bleed
What you got under your shirt	So darken (24) clothes
Will (12) them pay for the things that they did	Or (25) a violent pose
They said	Maybe they'll leave you alone
All teenagers scare the (13) shit out of me	But not me
They could care (14) as (15) as	
someone'll bleed
